**Number of Credit Hours** The second numeral in a course number represents the number of undergraduate or graduate credit hours earned in that course (depending on the course level).

**Intensive Courses (IN)** feature distance-based DIU Online (<https://online.diu.edu>) learning assignments for most of the term that the course is scheduled, plus a one or two-week period of on-campus full-day or half-day classroom periods which students are required to attend. Additional assignments are often required during the on-campus time.

**Online Courses (OL)** are conducted entirely via Dallas International Online (<https://online.diu.edu>). These courses do not have a scheduled class time but allow students the freedom to work at any time of day. Online courses are not self-paced, however, as students are required to meet deadlines for assignments and activities.

**Synchronous Learning Courses (SL)** allow students to attend DIU courses virtually. SL students attend class using Zoom video conferencing software. Attendance during scheduled class time is required. Assignments and other activities can be submitted via Dallas International Online (<https://online.diu.edu>).
