

Dissertation Proposal

Your Dissertation Proposal must be approved by all members of your committee before you register for dissertation credits. Research involving people as the subject(s) or source(s) of your research may necessitate approval from the Human Subjects Research Committee before research commences. Any Dissertation Committee member who is not on the DIU Faculty must email a CV to Academic Affairs@diu.edu and receive the Dean’s approval before this Dissertation Proposal can be approved by the Department Chair.

Student last or family name

First or given name

Middle or other name or initial

Proposed Dissertation Title

Check here if you have received the most current copy of the DIU Guide for Preparing Dissertations.

We, the members of the above-mentioned student’s committee, approve this Dissertation Proposal.

Signature of Committee Member or co-Chair

Signature of Committee Member

Signature of Committee Member

Dean’s approval of any non-DIU Faculty members

Human Subjects Research Committee Approval

The Human Subjects Research Committee has approved the proposed research methodology as presented in the above-mentioned Dissertation Proposal.

Human Subjects Research Committee Chair

It is the responsibility of the student to ensure that his or her research does not violate the standards of the federal policy on human subjects research. This action by the Human Subjects Research Committee is based solely on information presented to it by the student in the above-mentioned Dissertation Proposal and is advisory only, as a service to the student researcher.

Department Chair approval is required. Email the completed form Academic Affairs@diu.edu.

Approved: Department Chair
