

## AFFIRMATION OF HEALTH INSURANCE COVERAGE

Dallas Int'l requires students and their immediate family members to have health care insurance during the time that they are enrolled at Dallas Int'l. **This requirement must be met before you will be allowed to register for courses at Dallas Int'l.**

If you don't already have health insurance that will cover any accident, illness, or medical condition while you are at Dallas Int'l, you'll need to purchase it. For your convenience, several acceptable policies are listed on the Dallas Int'l website at <http://www.diu.edu/>.

Students may choose to acquire health insurance from an insurance provider other than the one Dallas Int'l has on its list. An internet search for or "Student Health Insurance" should turn up several among which to choose. Most policies allow you to decide the first month of coverage. Be sure that you are covered from the first month of Dallas Int'l attendance through the end of your studies here.
