

AUDIT PERMISSION FORM

This form must be filled out electronically and digitally signed. Paper copies are no longer processed.

To audit a course the student must obtain consent of both the course head / instructor and the Academic Dean. This form must be submitted to the Registrar's Office within the deadlines for adding a course or changing from credit to audit.

NOTICE TO STUDENT

Courses taken for audit must be at the student's current program level or lower, and all prerequisites for an audited course must be completed. The course head will determine the course requirements for each auditor. Auditors must be admitted to DIU and comply with DIU standards. Audited courses do not qualify for financial aid and do not have academic credit.

Tuition rates and fees as defined in the current catalog apply to students not enrolled in an academic program. Students currently enrolled in an academic program or alumni who have completed an academic program only pay fees
